

Breakfast in the Dolomites

the walkthrough

Breakfast in the Dolomites

a simple walkthrough

The following is a short list of actions that must be taken to complete the game.

You can also ask the characters questions about objects in the game, the weather, the surroundings.

You can go to the buffet as often as you like, or call a waiter to your table to order more hot drinks.

Leaving the car

Remember to take the key from the car dashboard.

Remember to take the luggage.

Close and lock the car.

Go to the garden.

In the garden

A beautiful place where to kiss your girlfriend.

The morning after

Greet the receptionist.

Go east to the dining room.

First access to the dining room

Greet a waiter.

If you are carrying the room key put it in a pocket.

Sit down on the bench.

When a waiter arrives order the hot drink of your choice.
While waiting for the hot drink go north to the buffet.

Food from the buffet

(remember you have a carrying capacity of only three items, over a plate you can place a maximum of ten items)

Take a dish.

Put a few slices of bread on the dish.

Put a few knobs of butter on the dish (if you like).

Put a few portions of jam on the plate (if you like).

Put some slices of meat on the dish (again, if you like).

Cooked egg

Greet the cook.

Choose the type of preparation you prefer.

When your egg is ready, take the plate the cook hands you.

Don't forget to thank the cook.

Cold drinks

Find a glass, asking the cook for it can help.

Open the drawers.

Take a glass.

Fill the glass with the drink of your choice.

The juicer

Take a glass (if you don't find it, ask the cook).

Put the glass in the juicer.

Choose a vegetable and put it on the cutting board.

Cut the vegetable with the knife.

Open the juicer.

Put the chopped vegetable in the juicer.

Switch on the juicer.

Wait until no more juice goes down in the glass.

Switch off the juicer.

Take the glass.

Drinking hot drink

When the waiter returns with the ordered hot drink, drink it.

(If you have ordered a tea with lemon or milk pour the

content of the pot in the tea.)

Spreading butter and jam

Spread butter on a slice of bread (if you have got the bread).

Open the jam jar.

Spread the jam on the bread (buttered or not at your choice).

Put the empty jar in the can.

Eat the slice of bread.

Stuff bread with meat or cheese

Put the meat or the cheese on a slice of bread.

Eat the slice of bread.

This booklet contains a simple walkthrough: it is the bare minimum list of commands to terminate the game.
